

PRIVACY POLICY

We have developed this Privacy Policy in order for you to understand how we collect, use, communicate, disclose and make use of your personal information. This Privacy Policy does not govern personal information collected from any other source or in any other manner.

USE OF YOUR PERSONAL INFORMATION

We provide you herein a notice of the types of information that we collect from you and the persons or entities to whom your personal information may be disclosed. Personal information may include name, address, phone number, email address or any other information transmitted by you. We may collect personal information through this Website when registering or requesting information when we ask for contact information. We may use the information to contact you to the extent such contact is permitted by law.

In order to provide you with efficient services we may share your personal information with our affiliates and related entities. We may also share your personal information with companies we hire to perform services including data processing, computer software maintenance and development, transaction processing, marketing services and professional, legal or accounting services (“Service Providers”). We require Service Providers to maintain confidentiality of your personal information and limit use of your personal information to the purpose for which it is provided. We will not share your personal information with non-affiliated third parties for marketing purposes. However, we may disclose statistics about visitors to our Website along with specific information about our visitors, provided that no personal information about a specific individual can be identified.

Notwithstanding the foregoing, your personal information may be disclosed to non-affiliated third parties as either permitted by or to comply with applicable laws and regulations. We will, however, offer you the opportunity to “opt out” of having your personal information shared with third parties that are not affiliated with us.

If you access the website from a country with strict data protection laws you should be aware that by interacting with the Website your personal information may be sent to us in the United States or other countries.

In the event we determine that there has been a breach in security resulting in unauthorized disclosure of personal information, we will promptly notify our clients by posting the information on our Website and, if email contact is possible, by sending an email advisory.

SOCIAL MEDIA

We may provide discussion forums, blogs and other community-oriented features that enable you to post comments and comment on posts by others (“Social Media”). To participate in our Social Media, we require you to register with a valid email address. We may use your email address to contact you regarding your postings or to inquire about your community experience.

We may also offer you the opportunity to share your experience or provide you a service via various third-party Social Media websites such as Google, Twitter, Facebook and YouTube. Registration with those services may be separately required.

TERMS OF USE

Our Terms of Use explains other terms governing our Website.

CHANGES TO PRIVACY POLICY

Periodically, this Privacy Policy may change. We will post changes to the Privacy Policy on this Website. Please review the Privacy Policy often to review any changes that may have been made.
